BAE Systems Asset Management sponsors major conference in Dubai

London, UK, July 10, 2009: This one-day conference will explore the latest developments in aviation asset management in the Middle East as well as the future of asset management services in this exciting marketplace. The event coincides with the Dubai Airshow and it will provide the platform for high level debate, exchange of ideas and information as well as networking opportunities for aviation executives from around the world.

The main purpose of the conference is to debate issues that affect asset management in the region. Topics to be explored include the management of aviation assets for airlines and corporate aircraft operators, appraisals, valuation, pre-purchase inspection, leasing management, finance and strategic planning, risk management, portfolio management, remarketing, repossession, technical asset management, engine maintenance, airworthiness assessment, aircraft sales, aircraft delivery, asset recovery as well as safety and regulatory compliance.

The event which is sponsored by BAE Systems Asset Management, will also provide the opportunity for networking with airlines, corporate aircraft operators, aircraft manufacturers, banks, airports, law firms, financial analysts, leasing and finance companies and any aviation professional involved with the development of the aviation asset management sector in the Middle East.

Confirmed speakers: Rahul Shah, AAR CORP * Manuel Ausaverri Ferrer, Partner, Advanced Logistics Group – Europraxis * Senior Representative of BAE Systems Asset Management * Dewey Yee, CEO, China Everbright Aerospace * Mark Dunnachie, Managing Director, ECC Leasing Company Limited, Embraer * Peter van Oostrum, Business Development Manager, Fokker Services * Aoife O’Sullivan, Partner, Gates and Partners * Russell Hubbard, Head of Operations, Global Aviation Asset Management * Ian Crowe, Aviation Development Director, Willis Aerospace
