FOR IMMEDIATE RELEASE

July 9, 2009

Business Aviation Summit to be held during this year's LABACE

London, UK, July 9, 2009: The Summit "Business Aviation in Latin America: A Vision for the Future" will be held on August 15, 2009 as part of the official program of LABACE in Sao Paulo, Brazil.

The event is supported by ABAG and it will be Chaired by Prof. Respicio A. Espirito Santo Jr., President, Brazilian Institute of Strategic Studies and Public Policies in Air Transport - Instituto CEPTA.

This international summit will take place on the final day of LABACE, a major business aviation event for Latin America and it will explore the latest developments in the business aviation sector of Latin America and new business opportunities and challenges in the region. It will also provide the platform for manufacturers and operators as well as any organisation interested in this exciting marketplace, to explore all aspects affecting the future of this industry.

It is a unique opportunity for all participants to debate the future of business aviation, discuss different business models, enhance their knowledge about the Latin American market, learn about the regional infrastructure development, and network with leading experts as well as business aircraft operators.

Who should attend: Business aircraft operators, manufacturers, consultants, bankers, lawyers, airport executives, aviation operators, leasing and financing companies, insurance companies and all professionals with an interest in the growth of business aviation and future opportunities in the region.

This event is organized by Aeropodium. For more information about the latest agenda and to register, please visit www.aeropodium.com/conferenceprojects/latinamericanbusiness.html
