### **INNOVATIVE TRAINING SEMINAR ABOUT AIRPORT SECURITY AND EMERGENCY RESPONSE PLANNING TO BE HELD IN THE BAHAMAS**

London, UK, October 12, 2010: Spranza Inc. and Aeropodium have teamed up to present a unique training workshop on Airport Security & Emergency Response Planning on December 2-3, 2010 in Nassau, The Bahamas. Capt. Patrick Rolle, Director of Civil Aviation of The Bahamas will give the Opening Address.

Providing both the academic knowledge and technical skills necessary to meet the challenges of today's dynamic global environment, "this workshop creates an intense, hands-on learning environment providing an innovative approach to tabletop exercises for airport first responders," said Frank Spranza, President, Spranza, Inc. "It's a distinctive learning experience designed to educate, entertain and provide participants with real-world applicable knowledge and skills."

Airport Security & Emergency Response Planning is uniquely designed to enhance delegates' ability to plan, develop and execute a valid tabletop scenario.

Delegates will have the opportunity to:

- Examine the standards and practices for conducting a proper security and emergency response tabletop exercise.
- Learn effective techniques to gather local data, analyze training needs and plan an effective tabletop instrument.
- Participate in actual tabletop exercise and evaluation process.
- Learn the proper methods for documenting exercises, maintaining administrative forms and reconciling exercise goals and objectives with both the local airport security plan and airport emergency plans in accordance with national and international Standards and Practices.

All program participants completing the two-day workshop will receive a Certificate of completion of ICAO Training Directory Course No. 119 41987 and a reference CD ROM containing the workshop material.

This program is designed for airport security and fire/rescue Command Staff, operations and administrative planners, Security and First Responder trainers and supervisors. Municipal agencies charged with responding to airport emergencies and security incidents are further encouraged to attend.

The "Airport Security & Emergency Response Planning" Workshop is organized by Aeropodium and Spranza Inc. For more information and to register, please visit the official workshop website:
