This Summit is organized by Aeropodium. Light Jets take off in Europe and this two-day conference will explore the latest developments in the corporate aviation sector of Europe and new business opportunities and challenges in the region. It will also provide the platform for manufacturers and operators as well as any organization interested in this marketplace, to explore all aspects affecting the future of this industry. It is a unique opportunity to debate the future of business aviation, learn about the latest developments in light jets, explore the air taxi market, discuss different business models, enhance our knowledge about the European market, learn about the regional infrastructure development, and network with leading experts as well as business aircraft operators.

For more information, please visit the official ECAS website:
