FIRST MEDITERRANEAN BUSINESS AVIATION SUMMIT TO BE LAUNCHED BY AEROPODIUM

London, UK, July 19, 2010: Aeropodium is honoured to announce the launch of the first business aviation summit dedicated to the Mediterranean region. The Mediterranean Business Aviation (MBA) Summit will take place on 9th & 10th June 2011 in Palma de Mallorca, Spain.

Panagiotis Panagopoulos, CEO and Founder of Aeropodium pointed out that "aircraft operators, manufacturers, airports and aviation professionals with a business interest in the Mediterranean region, will have a unique opportunity to explore the latest developments and challenges for the future as well as network with industry experts from three continents."

The MBA Summit is organized by Aeropodium. It will provide the platform for manufacturers and operators as well as any organization interested in this exciting marketplace, to explore all aspects affecting the future of this industry. It is a unique opportunity to debate the future of business aviation, learn about the latest developments in light jets, explore the regional air taxi market, discuss different business models, learn about the regional infrastructure development, and network with leading experts in the Mediterranean.
