### **Aircraft financing and leasing symposium to be held in Florida**

London, UK, April 9, 2015: Aeropodium is the organizer of the US aircraft financing and leasing symposium to be held on May 28, 2015 in Fort Lauderdale, FL, USA. This major event is hosted and sponsored by Broward College. It is also sponsored by Shergroup. Furthermore, it will be chaired by Russell N. McCaffery, Dean of Transportation Programs, Broward College.

This major event will explore the latest developments in commercial aircraft financing and leasing in the United States. It will also provide excellent networking opportunities for operators, aircraft manufacturers, banks, airports, law firms, financial analysts, leasing and finance companies and all aviation professionals with an interest in the development of the US aviation sector.

Distinguished speakers will contribute to the event with their expertise and experience including Benny F. Benitez of 94th AeroClaims-Aviation Consulting Group, Bruce Burnett of AVITAS, Michael L. Dworkin, Esq. of Michael L. Dworkin and Associates, Donald G. Gray of Blake, Cassels & Graydon, Jordan Karatzas of ICF International, Don Kenny of Falcon Insurance Agency, Anthony Kioussis of Asset Insight, William Loh of International Aviation Advisors, David Mayer of Shackelford, Melton, McKinley & Norton, Abdol Moabery of GA Telesis, Roland H. Moore Esq., Aviation Attorney, Jaime Nieto of Rolls-Royce & Partners Finance, Tetsuya Nozaki of MC Aviation Partners Americas, Philippe Poutissou, Marketing Executive, Aircraft and Airline Market Intelligence, and Claire Sandbrook of Shergroup.

This major event will cover a variety of issues such as aircraft and equipment acquisition, operating leasing and financing with a look to a large amount of aircraft retirements and the impact on the future residual values, leasing and financing private aircraft used in commercial operations, aircraft valuation and remarketing, continuing evolution of regional aircraft markets, engine exchange as an effective way of financing shop visits, recent developments and changes in the aircraft leasing industry, utilizing an objective maintenance grading standard to optimize asset value, a lessee and lessors guide to successfully negotiating the aircraft insurance maze, how technical lease language can ensure maintenance and return of the asset while retaining its value, international EETCs and the Cape Town Convention, the arrival of Asian lessors, the IRR devil is in the details, and how to enforce a judgment against a plane.
