**European corporate aviation summit  
to be held in London**

London, UK, December 16, 2014: Aeropodium is the organizer of the 3rd ECAS, the European Corporate Aviation Summit to be held on March 25, 2015 in London, UK. This event is hosted by the law firm Hill Dickinson and it includes a networking reception for all participants.

Following the previous success of ECAS in Sweden, the 3rd Summit is moving to London to explore the latest developments in the corporate aviation sector of Europe and new business opportunities and challenges. It will also provide the platform for manufacturers and operators as well as any organization interested in this marketplace, to explore all aspects affecting the future of this industry. It is a unique opportunity to debate the future of business aviation, learn about the latest developments in light jets, explore the air taxi market, discuss different business models, enhance our knowledge about the European market, learn about the regional infrastructure development, and network with leading experts as well as business aircraft operators. This is a major networking event for business aircraft operators, manufacturers, consultants, bankers, airport executives, leasing and financing companies, insurance companies and all professionals with an interest in the growth of business aviation and future opportunities in Europe.

Distinguished speakers will contribute to the event with their expertise and experience including Saleema Brohi of Hill Dickinson, Mark Byrne of ICM Group, Armando Cairoli of EUROCONTROL, Jerry Flaxman of FLAXMANS, Capt. Tilmann Gabriel of tiansalo consultants and City University London, Nick Godwin of Commsoft, Andrew Hughes of Mango Aviation Partners, Joanna Kolatsis of Hill Dickinson, Yves Lavigne of World Assets Transition, Roland McKay of KAYWAY AERO, Chris Seymour of Ascend Flightglobal Consultancy, Gabriella Somerville of ConnectJets, Jan Willem Storm van 's Gravesande of Aviation Independent Consulting, and David Velupillai of Airbus Corporate Jets.

The 3rd ECAS will cover a variety of issues such as investment opportunities and current business aviation trends, a vision for the future of Europe's business aviation, recent trends in the European business aviation fleet and outlook for 2015, maximising corporate jet value, business jet aircraft appraisal vs. e-flight book, consolidation and its impact on the corporate aviation market, the latest developments in VAT and duty, business aviation insurance, advanced technology for MRO IT systems, ETS support facility for business aircraft operators, and pilot shortage.
